Our Why

Dear Friends & Supporters,

It is with full hearts and excitement that we invite you to join us for this year's A Night Under the Stars Gala on Saturday, June 6, 2026, at Le Pavillon.

Year after year, this inspiring evening has become one of the most anticipated and meaningful nights in our community, and we are honored to share that this event has sold out every single year, welcoming nearly 500 guests who gather with a shared commitment to compassion, generosity, and hope. The evening begins at 6:00 PM and offers an elevated, red-carpet, black-tie experience filled with unforgettable moments, exceptional food, live entertainment, and powerful opportunities to give, each one centered on strengthening the families we serve.

What makes this night truly extraordinary is the power of community. When our donors, partners, and friends come together in the moments when words simply are not enough, your presence quietly says everything. We care. We are here. We stand with you. This is an inspiring and memorable evening where we proudly honor the supporters who keep our mission moving forward, while also holding space to lovingly remember the children who are no longer here. By supporting this unforgettable night, you stand behind a community of families who are navigating unimaginable loss and become part of the hope, healing, and legacy that makes their journey possible.

The RescYOU Group exists for families facing the unimaginable loss of a child. We walk beside parents, caregivers, and siblings through the earliest days of grief and throughout the long road that follows, offering financial assistance, professional counseling, peer support, and programs designed to help families carry both their pain and their child's legacy forward. Since our founding in 2021, we have had the privilege of supporting hundreds of Acadiana families and providing ongoing emotional care to children and adults across our region.

Our mission is deeply personal.

In 2008, I lost my two-year-old son, Clint. From that heartbreak came a promise that no family in our community would have to walk the road of child loss alone. That promise became The RescYOU Group.

Your presence at this gala and your generosity make that promise possible.

Because of you, families receive help with burial and medical expenses.

Because of you, families find counseling, support, and community.

Because of you, grief is met with compassion instead of isolation.

We cannot wait to gather with you under the stars once again, celebrating life, honoring every child's story, and continuing to build hope for families who need it most.

With love and gratitude,

*Reecie & Justin Gilmore

What to Wear

We are proud to offer one of Lafayette's true black-tie evenings — an elevated night designed to honor both our mission and the community that makes it possible.

This celebration is thoughtfully styled to preserve the elegance and ambience of the evening.

More than a dress code, this is a moment of reverence — a way we collectively honor the children who are no longer with us by showing up with intention, care, and our very best.

Gentle guidance for the evening: gentlemen are invited to wear tuxedos, and ladies are encouraged to wear long, floor-length formal gowns.

Together, we dress not just to impress — but to reflect the dignity, love, and legacy this night represents.

We're thrilled to welcome Miller's Formal Wear back as our official Formalwear Sponsor—rent your complete black-tie ensemble (tux, shirt and shoes) for just \$120, with a portion of every rental generously donated to The RescYOU Group. We would like to extend a heartfelt thank-you to Luke Benton and his incredible team for helping our guests look absolutely their best on such a meaningful night.
